

Dear Potential Camp Staff:

Thank you for showing interest in working at Concord Academy Summer Camp. Our summer day camp is one of the premier camps in New England, offering general camps as well as specialized programs in various sports, visual and performing arts, and computer and academic focuses. Quality staff has made Concord Academy a popular choice for families over the past thirty-five years.

Concord Academy is in the process of hiring top quality summer staff right now. We will be hiring counselors from local high schools, colleges, and professional educators. We are looking for people who truly enjoy spending time with children, forming friendships with them, and impacting their lives in a positive way. **While we will be accepting applications from new staff, we will only be hiring a select few of these applicants.** Most of our positions will be filled with returning staff as well as graduates from our Counselor In Training (C.I.T.) program.

Working at summer camp is a fun, enriching, and memorable way to spend your time building relationships that last a lifetime. The skills you will learn and develop at camp are extremely valuable assets that will last for the rest of your life. Leadership, working as a team, responsibility, and accountability are all important qualities that many colleges and jobs are looking to see in their applicants, and all of these are developed and enhanced in our summer camp setting.

If this sounds interesting to you, complete the application and return it to us as soon as possible. We also need three reference forms completed by people having knowledge of your character, experience, and abilities. Once your application and reference forms have been received and reviewed, we will give you a call to set up an interview if we are still filling positions and think you might be a good fit.

Please take the time to visit our web site at www.concordacademysummercamp.org to learn more about our camp, the various programs we offer, and how you see yourself fitting in at CASC. Once again I thank you for your interest in our summer camp, and I look forward to meeting all of you soon. If you have any questions at all, please do not hesitate to give me a call at (978) 402-2284.

Sincerely,

Greg Jutkiewicz
Director of Summer Camp
Concord Academy
